

RCBO - DSE201 - DSE201D

COMMERCIAL AND INDUSTRIAL RANGE

Features and Ratings:

- Protection against short circuit, thermal overload and earth leakage.
 - Real contact position indicator on toggle.
 - Compact design only 100mm high
- 1P+N: 6kA @ 230VAC to AS/NZS61009.1

32	DSE201C32AC30

Features and Ratings:

- Protection against short circuit, thermal overload and earth leakage.
 - Earth fault indicator to identify if trip has been caused by an earth leakage fault.
 - For cascading with XT MCCB to Fault Levels >10kA.
- 1P+N: 6kA @ 230VAC to AS/NZS61009.1

RCBO - DSE201M - DSE201NS

COMMERCIAL AND INDUSTRIAL RANGE

Features and Ratings:

- Protection against short circuit, thermal overload and earth leakage.
- Earth fault indicator to identify if trip has been caused by an earth leakage fault.
- New compact space saving design, only 115mm high.
- 1P+N: 10kA @ 230VAC to AS/NZS61009.1
